Oceans Week HFX | Coronavirus (COVID-19) Update

April 22, 2020 - Oceans Week HFX recognizes and understands the impact of this global pandemic. We have had many concerns and questions on whether or not we will continue to hold space for Oceans Week 2020, as part of our annual World Oceans Day acknowledgement and celebration. **We have decided to host Oceans Week HFX online, from June 5-14, 2020.** Visit our website (www.oceansweek.ca) for more updates on how to register your online Oceans Week events and how to stay in touch with us during these time.

Thank you for your understanding and support! We hope to see you all on our online platforms this coming June!

Sincerely,

Two handwritten signatures in black ink, one on the left and one on the right, representing Mo Phung and Alexandra Vance.
